## HEIDELBERG

**“And seek (inquire for, require, and request) the peace and welfare of the city to which I have caused you to be carried away captive; and pray to the Lord for it, for in the welfare of [the city in which you live] you will have welfare.”**

**Jeremiah 29:7 AMPC**

*Seek the peace of Heidelberg*

*Pray for Heidelberg*

**“inquire for, require, and request”**

Do all that lies in your power

**Heidelberg**

will enjoy peace

and remain in safety

because you yourselves must be partakers of its prosperity

It is appointed by God for you to remain there !

I have to apologize for being so quiet for so long but every drop of strength I have has gone into Ryan's House.

I cannot believe how much has happened since we last spoke.

We are into our sixth month of having babies at Ryan's House and I have never been so busy.

Our **third** little "king" arrived at eleven days old and this time she's a little **girl**.

Our faithful God has provided our every need and so many tears have flowed in awe of what God is doing here in **our very own Heidelberg**.

She is now almost three months old and "eventually" I am actually getting to sleep.

I have never been so tired in my life. It has been like having triplets 24/7. Three bottles, three diaper changes and of course, all crying at the same time, and not to mention the large bundles of never ending washing.

One of our babies is crawling and practicing his balance against all the furniture. He almost has six teeth and is very busy. Our other little baby has just mastered rolling over and is getting his first tooth. Our little girl is lifting up her body from a tummy position to inquisitively scan the room for whatever is going on.

I am so blessed to have help. A young lady, Elmé, has started this week to come in to help me, three mornings and two afternoons.

I have come a long road since the first day that I stepped over the threshold of Ryan's House, carrying safely, tucked in my arms the first little bundle.

One of our little ones time has come to an end here with us in Ryan's House and this is so terribly "bitter sweet" because half of me is rejoicing that he will be with his family, but the other half of me will never forget his little face.

***My part is just to trust the Lord!***

***He has got this!***

***The same God that brought the little baby to me is able to still look out for him wherever he is going. Praise the Lord that we have had this facility and this short time to be able to look after this little one.***

***I can do ALL things through Christ who strengthens me. Phil 4:13***

I have also been so blessed to know of groups of woman that have started prayer groups for Ryan's House and also WhatsApp groups.

I have also been asked for my personal banking details, so I have added it here.

THANK YOU ■ THANK YOU ■ THANK YOU  
Our God has proved himself faithful in so many ways.

“Gifts haven't stopped pouring in”  
I still walk in these doors amazed that every single product and item ever needed was already  
provided by you in anticipation of our babies arrival  
- fit for a king.

**BECAUSE OF YOU !!!!**

*I would love to hear from you.*

I have **AGAIN 100000** thank YOU'S to make but I have **NO IDEA** of who most of you are!!!!  
I thank YOU for **every meal, every product, every little jersey, bootie, and blanket's** so lovingly  
crocheted, knitted and sewn.

I thank everyone reading this for your part. I thank YOU for your prayers.

**I thank YOU !!!!**

Every single GIFT, Every single DROP of love, Every single BLESSING spoken and PRAYER from each and  
every one of you **will and is** ECHOING into eternity.....

**WHAT A GOD WE SERVE !!!!**

**I ask for prayer; that you would seek, inquire for, require, and request the peace and welfare  
for HEIDELBERG and Ryan's House and everyone involved.**

**And I Pray for You.**

Dear heavenly Father,  
I pray for the peace and welfare of everyone reading this  
in Jesus' Name.

Amen.

*The best is yet to come!*

Until next time

*Michelle*
